

SECTION 33

Restricted Business B-3 District

33.0 PURPOSE

To allow for the orderly transition from residential areas to business areas in a way that will maintain the residential character of the area and achieve harmony with the adjacent residential neighborhoods. Applicable standards protect those neighborhoods by limiting the type and intensity of business uses, as well as the size and character of buildings and the layout of the site. Extensions of or alteration of an existing building originally designed as a house will preserve the character of the existing building, as a house.
