Liberty Bank

“Liberty Bank’s association with the town of Old Saybrook dates back to 1960. After all this time, we consider each other not just business associates, but partners in advancing a truly wonderful community. Perhaps our proudest moment to date was helping to bring together all the supporters needed to build affordable housing in town.”

SeaSide Wine and Spirits

"Deciding to open up a new store was an easy decision. Finding a space we wanted and that was similar to our Madison store seemed impossible. But when we found this space it was an easy "yes". Old Saybrook is a great spot for our business because it is a large town with a very small town feel. Our location on Main Street is a key factor in our success. As well as our amazing customers that support both stores not to mention our customers in Old Saybrook are loyal and make our jobs easy and fun. With the help of other businesses: Dagmars, Fresh Salt and Fromage it allows us all to collaborate and create community events that benefit all businesses. The choice was great to come here and great to stay."
