

# You're Invited to Attend...

## Public Informational Session for the Connecticut River Bridge Replacement Project

Amtrak® is building a new, modern two-track, electrified, movable bridge to replace the existing **Connecticut River Bridge**. The new bridge will provide better reliability for Amtrak and CTRail's Shore Line East customers while improving maritime operations for the local community.

### Purpose of meeting:

- Re-introduce the Connecticut River Bridge Replacement Project
- Highlight the environmental aspects of the project
- Solicit community feedback

**Wednesday, February 15 at 7 p.m.**

● **Join Online via Zoom**  
<https://bit.ly/3JhOnC0>

● **Join by Phone:**  
(646) 931-3860

**Webinar ID:** 822 6042 2411  
**Password:** 508462

● **Opportunities to Comment**

**The comment period is open through March 15, 2023**
