**REGISTRATION & PERMISSION SLIP REQUIRED BY 3/17/20**

Attendees will have the unique opportunity to learn from skilled auto technicians at four different stations:

- 1) Tires: check tire pressure and change a tire
- 2) Fluids: check oil levels, what kind of oil you need, fluid leaks, etc.
- 3) Wipers: How to fill wiper fluid and replace your wipers
- 4) Battery: How to jump start your car when your battery is dead

And, of course, the auto technicians will be on hand to answer all of your questions!
