Collection Includes:

Children's Diapers of all sizes

**Adult Incontinence Protection
for Men & Women**

Disposable Wipes

An adequate supply of children's diapers can cost over \$100 per month—and more for adults! 1 in 3 American families struggle with diaper needs and are often forced to cut back on other essentials such as food, utilities and/or childcare and some must resort to reusing soiled diapers. Let's help our neighbors in need!

Throughout the month of April, a collection bin will be available at

OS Youth and Family Services, 322 Main Street

to accept your donations for our local pantry.
