

Old Saybrook Zoning Board of Appeals,

I am a customer of Fine Fettle - Old Saybrook. I do not live in Old Saybrook, but I come to Old Saybrook to shop here, the only facility selling legal cannabis between Groton and Branford. I travel from out of town and the appointment system severely limits when I can pick up my purchase and makes the experience significantly more difficult.

It is inconvenient for me to schedule around available appointments instead of what works best for me.

I have seen Fine Fettle's operations and have never had a problem with crowds, finding a parking space, or leaving the facility.

**I support the elimination of the appointment only requirement to ease the burden on customers.**

Old Saybrook Zoning Board of Appeals,

I live in Old Saybrook and am a customer at Fine Fettle. I believe the requirement that customers have an appointment to pick up purchases should be eliminated, allowing them to operate like any other legal business.

I would like to stop when it's easiest for me, not just when there is an available slot. The store runs well and has no issues with parking or access.

More sales would also help the town because of the tax revenue that Fine Fettle generates, which is above and beyond and business in town..

As a resident of Old Saybrook, I support a change to allow Fine Fettle to operate on a walk-in basis.

Other businesses of this type have customers buy their products without an appointment. This lets customers decide when is most convenient for them, rather than what time is available. The condition of approval from their zoning application was overly burdensome based on fear and they have proven they can handle the operations.

Fine Fettle runs an organized store, and I can be in and out quickly. Parking is easy and I have no problems entering or exiting the property.

Since Fine Fettle's sales contribute to the town's tax revenues (receiving 3% of each transaction), allowing more sales would benefit all Old Saybrook residents. Fine Fettle has easily proven it can handle the traffic

As a Fine Fettle customer, it is highly inconvenient for me to use the appointment system for orders.

Parking has never been an issue and I would like to be able to stop when I want.

Old Saybrook Zoning Board of Appeals,

As a resident of Old Saybrook, I support a change to allow Fine Fettle to operate on a walk-in basis.

Other businesses of this type have customers buy their products without an appointment. This lets customers decide when is most convenient for them, rather than what time is available. The condition of approval from their zoning application was overly burdensome based on fear and they have proven they can handle the operations.

Fine Fettle runs an organized store, and I can be in and out quickly. Parking is easy and I have no problems entering or exiting the property.

Since Fine Fettle's sales contribute to the town's tax revenues (receiving 3% of each transaction), allowing more sales would benefit all Old Saybrook residents. Fine Fettle has easily proven it can handle the traffic
