

Old Saybrook Zoning Board of Appeals,

As a Fine Fettle customer, it is highly inconvenient for me to use the appointment system for orders.

Parking has never been an issue and I would like to be able to stop when I want.

Cannabis is legal for adults and just like any other establishment in the entire town, the store should be open without appointment restrictions.

**I support the elimination of the appointment only requirement.**

Old Saybrook Zoning Board of Appeals,

I am a customer of Fine Fettle - Old Saybrook. I do not live in Old Saybrook, but I come to Old Saybrook to shop here, the only facility selling legal cannabis between Groton and Branford. I travel from out of town and the appointment system severely limits when I can pick up my purchase and makes the experience significantly more difficult.

It is inconvenient for me to schedule around available appointments instead of what works best for me.

I have seen Fine Fettle's operations and have never had a problem with crowds, finding a parking space, or leaving the facility.

**I support the elimination of the appointment only requirement to ease the burden on customers.**

Old Saybrook Zoning Board of Appeals,

I am a customer of Fine Fettle - Old Saybrook. I do not live in Old Saybrook, but I come to Old Saybrook to shop here, the only facility selling legal cannabis between Groton and Branford. I travel from out of town and the appointment system severely limits when I can pick up my purchase and makes the experience significantly more difficult.

It is inconvenient for me to schedule around available appointments instead of what works best for me.

I have seen Fine Fettle's operations and have never had a problem with crowds, finding a parking space, or leaving the facility.

**I support the elimination of the appointment only requirement to ease the burden on customers.**

As a Fine Fettle customer, it is highly inconvenient for me to use the appointment system for orders.

Parking has never been an issue and I would like to be able to stop when I want.

Cannabis is legal for adults and just like any other establishment in the entire town, the store should be open without appointment restrictions.

**I support the elimination of the appointment only requirement.**
