

# Old Saybrook

## **COVID 19 Community UPDATE #10 - March 25, 2020**

The following Community Update is being provided to you from the  
Town of Old Saybrook Emergency Operations Center.

The intent of this document is to provide a daily summary of preparedness,  
response and other government activities.

### **Public Safety & Community Information**

- The Nation, State, and Town remain under Declared States of Emergency.
- Old Saybrook has three (3) confirmed positive cases of COVID-19. The same as yesterday.
- We are expecting and are prepared for further confirmed cases of COVID-19 in Old Saybrook.
- We continue to be very proactive with our safety messaging and communication. This will help keep people safe.
- The Town nor the Health Department will release the names of those who have sadly contracted the virus. Personal Health information is private. When appropriate, we contact those that may have been exposed and provide direction.
- Old Saybrook's First Responders have personal protective equipment, adjusted response guidelines, and open/clear communication – all of which will keep them as safe as possible.
- If you do not need to be out in public – don't be!
- Here is the theory we want YOU to understand.....and the reason for these drastic measures:

#### **LESS CONTACT = LESS VIRAL INFECTIONS = LESS DEATH**

- Go to the grocery store, get take out, get gas for your car, visit the park, go for a walk,

#### **Just Use Common Sense – Social Distancing Really Works – It SAVES LIVES!!**

- There is NOT a travel ban! You are still able to drive on the public roadways!
- The Town's Emergency Operation Center (EOC) is operational.
- An updated list of all restaurants that are open for take-out and/or delivery are attached.
- Restaurants may use one (1) A-Frame Sign to advertise to the public without penalty.
- The Town is very supportive of our local businesses!

- The Public Safety Leadership Team continues to meet every day to brief the First Selectman and to coordinate preparedness and response activities for the Town of Old Saybrook.
- Arrangements are in place for Public Safety Leadership Team Members to work remotely in case of illness. In case of extreme illness, secondary leadership has also been identified.
- All non-essential businesses are closed to the public as ordered by The Governor.
- This has some asking questions. We want to try and help explain.
- There are a few different categories that a “business” must fit in.
- Restaurants – Any place where you can buy prepared food/ready to eat items and is licensed by the Regional Health Department is a Restaurant. Restaurants are permitted to be open for take-out only. There are no hour restrictions on restaurants.
- Liquor Stores – Stores may be open in accordance with current State law.
- Grocery Stores – Grocery and convenience stores are allowed to be open. There are no hour restrictions. Wal-Mart in Old Saybrook sells groceries – therefore they are a grocery store.
- Essential Business - There are sixteen (16) categories of “essential businesses”. To name a few, Public Safety, healthcare, essential government services, gas stations, pharmacies, banks, specific manufacturing facilities, attorney’s offices and bio tech companies. If your company or business supports the government or the healthcare industry – in any way - it is essential.

If you have questions on whether your business is essential or not please click here:

- Businesses can click the link below for a COVID 19 Business toolkit.  
<https://www.oldsaybrookchamber.com/coronavirus-business-toolkit>
- There is NO curfew. No Curfew has been imposed.
- There is NO food or supply shortage in Old Saybrook.
- The Democratic Primary will now be held on June 2, 2020.
- Federal and State Income Taxes are now due July 15.
- The Emergency Operations Center is using Facebook, Twitter, Instagram, and Snapchat to connect with residents. Search COVID19OS to find us on your favorite social media platform.
- Please make sure your family & friends are signed up to receive these daily notices. As this public health emergency progresses, this information will be of vital importance.
- Currently over 2,370 people are signed up to receive this newsletter!
- Please visit the Emergency Management Website as your sole local online source of all information related to the COVID-19 Public Health Emergency.

## Public Health

- It is extremely important that EVERYONE takes this Public Health Emergency seriously!
- DO NOT go out into the public if you have a fever or flu like systems.
- COVID-19 is HIGHLY Contagious
- **Practice social distancing. Maintain six (6) feet from other people.**

Be smart when outdoors enjoying a park/beach – **Practice Social Distancing.**

Standing in a line is fine – just **Practice Social Distancing.**

Go for a walk - just **Practice Social Distancing.**

- Playscapes will be sanitized three times a week.
- Wash your hands with soap and water frequently for twenty (20) seconds or use at least 60% alcohol based sanitizer.

## Municipal Government Operations

- The Town hall WILL be open on Thursday. Please call the Department that you wish to do business.
- If a municipal employee is working virtually, they will return your call within 24 hours (M-F).
- The doors of Town Hall are locked. They will let you in the building to conduct business.
- If you cannot reach anyone and need something please call the First Selectman's Office at 860-395-3123 – M-F.
- The Town will be assisting the Democratic and Republican Town Committees host "online meetings" in order to select convention delegates.
- Outdoor recreation facilities are OPEN! **Please follow "Social Distancing" recommendations, stay in groups of less than ten (10) people – but GO OUTSIDE!!**

## Social Services / Youth and Family Services
