### **Public Safety & Community Information**

- The Nation, State, and Town remain under Declared States of Emergency.
- The Town’s Emergency Operation Center (EOC) remains operational.
- There were no new CONFIRMED cases of COVID-19 today in Old Saybrook.
- Old Saybrook belongs to the Connecticut River Area Health District (CRAHD).
- This includes the Towns of Chester, Clinton, Deep River, Haddam, and Old Saybrook.
- These are the current reported Positive Cases according to CRAHD:
  - Chester - 12 Confirmed Cases

  - Deep River - 5 Confirmed Cases
  - Haddam - 3 Confirmed Cases
  - Old Saybrook - 9 Confirmed Cases
- We believe there are many additional presumptive positive cases in Old Saybrook.
- Presumptive cases are not always formally tested. We have received questions about this.
- If people who live in the same household as a person that has sadly received a positive COVID-19 test result begin to have COVID-19 Symptoms, they are not tested and presumed by medical professionals to have COVID-19. Unless hospitalized, they may never be tested.
- We are working with Apple Health & Rehab and Gladeview Healthcare to prevent & respond if necessary to a COVID-19 Outbreak following Federal & State Guidelines.
- Public Health Officials advise that Connecticut is entering the peak of the COVID19 Outbreak.
- We are very concerned about EVERYONE’s Health over the next two (2) – three (3) weeks.
- It is currently predicted that Middlesex County’s “peak” may be around April 22, 2020.

- PLEASE STAY HOME – if you do not need to go out in public.
- Limiting contact with others is highly recommended by Public Health Officials.
- When choosing to “get some fresh air” try to stay home on your own property.
- If choosing to take a walk, stay local, stay in very small groups, stay distant, STAY SAFE!
- We can SAVE LIVES if EVERYONE follows Social Distancing Recommendations! PLEASE!
- Old Saybrook Residents continue to be tested for COVID-19 and we are awaiting results.
- It is helpful for Public Safety to know if a person in your home, that is not an Old Saybrook Resident, has sadly been diagnosed with COVID-19 (after being tested).
- If you are caring for a COVID-19 Patient in your home, please contact us so we can ensure the proper resources are sent to your home in case of an emergency AND we can keep our First Responders Safe! Call the Police Department at 860-395-3142 or email the Emergency Operations Center at [EOC@OldSaybrookPolice.com](mailto:EOC@OldSaybrookPolice.com).
- Information is kept confidential and used ONLY to alert First Responders should we need to respond to your home to provide assistance.
- We are expecting and are prepared for further confirmed cases of COVID-19 in Old Saybrook.
