- If we continue to work together, we WILL keep Old Saybrook’s Curve FLAT! We can do this!
- We are very concerned that people will get restless and try to return to “normal” too soon.
- We MUST not do that! WE MUST keep up ALL our efforts to PREVENT Community Spread.
- If we scale back or stop our social distancing efforts now, things will get worse.
- We want “things” to get better, not worse! Each individual can truly make a difference!

- We will not be successful without you. Please help us save lives! Stay Safe – Stay Home!
- If you do not *need* to go out - STAY HOME!!
- When choosing to “get some fresh air” try to stay home on your own property.
- Practice Social Distancing – Not doing so is selfish! – We can keep each other SAFE!

- It is important to be counted.....For example, census numbers are often used to calculate “how much” of “something” each State receives. In times of an Emergency/Crisis, it is important that ALL of us are “counted”, so that what is needed, is supplied.
