Community COVID 19 Testing

- Today, 275 people received COVID-19 tests at the Testing site in Old Saybrook!
- Beginning on Monday, FREE COVID-19 Testing will be available from 8:30 AM – 4:00 PM at Saybrook Point by the Mini Golf Course. No appointments / No fees!
- We are pleased to partner with The Community Health Center Inc. who provides this service!

State of Connecticut COVID-19 Community Rating System

- The system classifies towns and cities based on 1) population and 2) how many residents have tested positive for COVID-19 on a two week rolling average.
- Towns and cities that have increased positive COVID-19 cases are designated as YELLOW, ORANGE, or RED.
- The State will make these designations each Thursday at 5 PM.
- When a town or city is classified specific actions are taken.
- This new State rating system **does not** impact the status of our public schools.
- No matter what “color” a town or city is, a different rating scale is used by the ALL Superintendents of Schools to make decisions concerning in person learning activities.
- When a community is classified as YELLOW, ORANGE, or RED there are six (6) categories of activities that are reviewed. They are:
 - Department of Public Health Response
 - Individual Response (That’s YOU!)
 - Community Response
 - Organized Group Activities
 - Pre K-12 Schools
 - Business & Sector Rules
- Here is the map of the State with the Yellow, Orange, and Red designations as of 5PM today

What we NEED YOU to do!

Public School District

PUBLIC SCHOOL STATUS as of 11/05/2020

- Old Saybrook Senior High School - Distance Learning
(Today and Friday due to a Staff Shortage)
- Old Saybrook Middle School - On Campus / In Classroom Learning
- Goodwin Elementary School - On Campus / In Classroom Learning
(One Kindergarten Class participating in Distance Learning)

- The Superintendent makes the decision concerning On Campus / In Person Learning vs Distance Learning based on facts concerning positive COVID 19 Cases, Contact Tracing Reports, and Staff Availability.
- If there is a positive case of COVID-19 in one of our schools, it does not mean the entire school must close. Being in cohorts may allow for only one class or only one grade to be impacted.
- The “Orange” Status or Phase 2.1 DOES NOT affect the Schools or alter a school schedule.
- The Superintendent continues to collaborate with Regional Public Health and Town Emergency Management when making these decisions.
- Schools have **NOT** been the source of Community Spread.
- Our schools are one of the only places in our community that model, mandate, and enforce mask wearing and proper hygiene. **If schools are open – they are safe.**
