

Old Saybrook

COVID 19 Community UPDATE #19 – April 3, 2020

The following Community Update is being provided to you from the
Town of Old Saybrook Emergency Operations Center.

The intent of this document is to provide a daily summary of preparedness,
response and other government activities.

Public Safety & Community Information

- The Nation, State, and Town remain under Declared States of Emergency.
- The Town’s Emergency Operation Center (EOC) remains operational.
- Another Old Saybrook resident has tested positive for COVID-19.
- Old Saybrook belongs to the Connecticut River Area Health District (CRAHD).
- This includes the Towns of Chester, Clinton, Deep River, Haddam, and Old Saybrook.
- These are the current reported Positive Cases according to CRAHD:
 - Chester - 2 Confirmed Cases
 - Clinton - 7 Confirmed Cases 1 Death
 - Deep River - 4 Confirmed Cases
 - Haddam - 3 Confirmed Cases
 - Old Saybrook - 7 Confirmed Cases
- We believe there are an additional ten (10) presumptive positive cases in Old Saybrook.
- Presumptive cases are not always formally tested.
- There are other Old Saybrook Residents that have been tested and are awaiting results.
- We are finding that test results take between three (3) to nine (9) days.
- It is helpful for Public Safety to know if a person in your home, that is not an Old Saybrook Resident, has sadly been diagnosed with COVID-19 (after being tested).
- If you are caring for a COVID-19 Patient in your home, please contact us so we can ensure the proper resources are sent to your home in case of an emergency AND we can keep our First Responders Safe! Call the Police Department at 860-395-3142 or email the Emergency Operations Center at EOC@OldSaybrookPolice.com.

- Information is kept confidential and used ONLY to alert First Responders should we need to respond to your home to provide assistance.
- We are expecting and are prepared for further confirmed cases of COVID-19 in Old Saybrook.
- The Governor has ordered the suspension of weekend and weekly rentals of homes.
- The Governor has ordered all hotels, motels, and resorts to close for recreational travelers.
- The Governor has ordered the restriction of gatherings to no more than five (5) people.
(Religious services may have fifty (50) people.)
- There can be more than five people at the beach or in our parks so as long as they are following social distancing recommendations and are not in violation of the Governors Order.
- If people cannot respect the Governor's Order and Public Health's STRONG recommendations to maintain "Social Distance" – our outdoor areas are in jeopardy of being closed to the public. Let's work together to make sure that does not happen!
- All grocery stores in Old Saybrook are asking you to PLEASE "Shop Alone".
- Social Distancing signage was supplied to stores and restaurants to use.
- Stores must limit how many shoppers can be in a store at one time by 50%. It's now the Law.
- This is based on an order from the Governor. The numbers vary per individual store.
- Warning Signs are placed at the entrances to commonly visited indoor stores/shops.
- These signs ask those that have flu like symptoms or those that have been around someone with flu like symptoms not to enter the indoor space.
- Public Health Awareness Advertisements are all over town to remind people to: "Wash Their Hands", "Sneeze and Cough in Your Elbow" and to "Maintain Social Distance".

LESS CONTACT = LESS VIRAL INFECTIONS = LESS DEATH

- If you have recently moved your family to Old Saybrook from another location—any location—please consider sheltering in place (self-quarantine) for fourteen (14) days to prevent further community spread.
- With so many second homes in our community, this has become an area of major concern for our Town. Please be respectful – no one wants to get sick.
- A list of "frequently asked questions/answers" on Connecticut's actions concerning COVID-19 can be found at this link: <https://portal.ct.gov/-/media/Coronavirus/COVID-19-FAQs.pdf?la=en>
- Old Saybrook's First Responders have personal protective equipment, adjusted response guidelines, and open/clear communication – all of which will keep them as safe as possible.
- If you do not need to be out in public – don't be!
- The Town is very supportive of our local businesses!

- The Public Safety Leadership Team continues to meet every day to brief the First Selectman and to coordinate preparedness and response activities for the Town of Old Saybrook.
- All non-essential businesses are closed to the public as ordered by The Governor.
- Businesses can click the link below for a COVID 19 Business toolkit (This is being updated).
