Tropical Storm Isaias Recovery

The following Community Update is being provided to you from the Town of Old Saybrook Emergency Operations Center.

The intent of this document is to provide a summary of preparedness, response and other government activities related to Tropical Storm Isaias.

Recovery Center to OPEN at NOON

- We will OPEN our Limited Recovery Center at NOON. (Please wait until at least 11:30!)
- It is located at the Old Saybrook Senior High School – 1111 Boston Post Road.
- You will be able to charge your devices at our “socially distant” charging stations.
- To charge a device – park in the parking lot and wait for an open charging station.
- We will also have free WiFi for those who need to “connect!”
- Need WATER? We have potable water hoses for you to fill your own water containers.
- To fill your water container(s) – please pull into the fire lane in front of the school.
- We will provide any resource necessary to assist our citizens!

What We Are Doing Now!

- Police Officers continue to seek out wires down, trees down, & loss of power areas to update our list for Eversource so they have the most accurate information to restore power quickly!
- OSPD ATVs will be patrolling in the northern School House and Ingham Hill Rd Areas.
- The Fire Department’s UTV is at the ready to respond to inaccessible areas.
- Eversource is FIRST clearing roads and making things safe. Then they will restore power.
(This is not our plan but we are not the power company.....)
- We are doing everything we can to advocate for your power to be restored. Everything.
- Additional Law Enforcement Staff is on patrol in areas without power.
- We are at the ready to assist you. Please call us if you need assistance.
- Non- Emergency 860-395-3142 – Emergency 911
- Please do not call to have your power turned back on....we do not offer that service!
- Public Works can ONLY clear roads AFTER the wires have been removed and made safe.

Final Thoughts

- PLEASE NEVER touch a downed wire. It is VERY dangerous.
- We understand that having no power is frustrating. We will get through this!!
- Your pictures (taken from a safe place) will allow us to share what’s going on with the community! Send them to EOC@OldSaybrookPolice.com
- We are here for you and are only one call away. 860-395-3142 or 911 in an Emergency!
