## *Tropical Storm Isaias Recovery*

The following Community Update is being provided to you from the Town of Old Saybrook Emergency Operations Center.

The intent of this document is to provide a summary of preparedness, response and other government activities related to Tropical Storm Isaias.

### **Recovery Center is OPEN !!**

- Because of the widespread power outages that sadly still exist in Old Saybrook, we have opened a recovery center to those without power.
- The Recovery Center is located at the Old Saybrook Senior High School – 1111 Boston Post Road.
- **The Recovery Center is now OPEN.**
- Masks **MUST** be worn at the Recovery Center. We will provide them if necessary.
- At the recovery center you may use our free wifi, charge your devices, and enjoy a nice cold water!
- If you have well water and have no power, you may also fill up containers of water at the recovery center.
- We will also have a limited supply of ice for you to place in your refrigerators or freezers in an attempt to keep your food cool.
- If you are looking to charge your device, use the wifi, and enjoy a cold bottle of water please enter the main parking lot of the high school and park your vehicle in a parking space.
- If you will be filling containers with water or need ice please park in front of the high school in the fire lane.
- If you forget where to go – no worries – Just go to the High School - Police Department staff will be available to assist you.
- Please remember the recovery center is **ONLY** for those that do not have power.
- The Town is strongly advocating on your behalf with Eversource to get the power back on. However we know this may take some time. There is **NO** power restoration estimate being provided by Eversource.

- Currently there are areas of Town that are not accessible to fire trucks and ambulances. Eversource MUST clear these areas first and then begin to work on power restoration. We eagerly await their arrival!
- Should a significant amount of power not be restored by early evening, we will begin to offer more Recovery resources.
- The Town of Old Saybrook is proud assist our citizens as we recover from yesterday's storm.
- The Old Saybrook Office of Emergency Management will provide another update at 5 PM this evening. Should you need any assistance please contact our Emergency Communication Center at 860-395-3142.
- While we cannot turn your power back on for you, we most certainly will do everything we can to assist you.

**We are One Community – One Team. Stay Safe Old Saybrook.**
