Project Information

THE HISTORIC DISTRICT COMMISSION'S
 REGULATIONS AND CRITERIA
 CAN BE FOUND ON THE TOWN'S WEBSITE.

Approximate Start of Construction: _____ Completion: _____

Describe the work (erection, alteration, demolition, removal, etc.) proposed to be done to the exterior architectural features of the (principal or accessory) building, structure or other work.

Exemptions

The work proposed is specifically exempted from the requirement to obtain a Certificate of Appropriateness as to exterior architectural features (§4.C.) for this reason:

- Portion of exterior of a structure or building not open to view from a public street, way or place, including the waters of North Cove, the Connecticut River, or any public open space;
- Color of paint used on the exterior of any building or structure;
- Ordinary maintenance or repair of exterior architectural features that does not involve a change in appearance, design or materials;
- Erection or alteration of exterior architectural features that the Building Official certifies is required by the public safety because of a condition that is unsafe or dangerous due to deterioration.

Affidavit of Accuracy and Agency

I declare that, to the best of my knowledge and belief, all information contained in any document or drawing that is submitted, as part of this Application, is true and accurate as presented. I am aware that if the Historic District Commission grants this application, then it is my responsibility to obtain a Certificate of Zoning Compliance, Building Permit and all other applicable permits.

Signed: _____ by Owner Date: _____

I authorize the party named to act as my Agent in making the requests listed on this Application Form and obtaining, on my behalf, that granted by the Board.

Signed: _____ by Agent Date: _____

HDC Record-keeping

The Enforcement Officer or Building Official reviewed the materials submitted to support the stated reason(s) for exemption from needing a Certificate of Appropriateness, and:

- Certifies that the work proposed is specifically exempted from the requirement to obtain a Certificate of Appropriateness as to exterior architectural features for reason(s) **as initialed above**.

Signed: _____ by Officer/Official Date: _____

- Determines the matter is not a qualified exemption per the reasons listed above and requires a Certificate of Appropriateness as to Exterior Architectural Features from the Historic District Commission.
