The applicant, Ed Wilhelms, presented the application. He explained he is requesting two signs: one sign to be placed on the existing free-standing sign board, 93” x 7 1/4”, made of trex, and the second, a wall sign at 21 1/2” x 7” at entrance. The signs are to be blue with white letters.

The applicant explained the theater will have about 40 seats, will perform live theater, with six or so shows a year. Classes and other programming will be offered. Members asked about parking. Mr. Wilhelms stated there is plenty of free parking.
III. DISCUSSION

A. Design Review Awards

Zoning Enforcement Officer Chris Costa provided the history of past Design Excellence Awards, started by ARB in 1999, with recognition awarded in two categories, for new construction and for building renovation. The last award was made in 2009. Members discussed many variations, such as whether to have an awards ceremony and whether to combine it with another town event; the frequency of the award, perhaps every five years; how nominations would be made; whether to have town-wide voting and how voting would take place; as well as publicity. C. Costa reviewed a list of properties for consideration for award nominations. Members agreed to review the list and to email C. Costa by January 20 with their top six choices in each category. The discussion was continued to the next regular meeting on January 27.
