COVID 19 Community UPDATE #17 – April 1, 2020

The following Community Update is being provided to you from the Town of Old Saybrook Emergency Operations Center.

The intent of this document is to provide a daily summary of preparedness, response and other government activities.

Public Safety & Community Information

■ The Nation, State, and Town remain under Declared States of Emergency.

■ The Town’s Emergency Operation Center (EOC) remains operational.

■ Old Saybrook was “unofficially” notified of a confirmed positive case of COVID-19 today.

■ Here is what Public Safety is encountering.....

■ We know that there are six (6) confirmed cases of COVID-19 in Old Saybrook.

■ These six (6) cases represent six (6) Old Saybrook residents.

■ People with a positive COVID-19 diagnosis are coming to Old Saybrook to stay with friends and family. They are not necessarily coming from “out of state”.

■ It is helpful for Public Safety to know if a person in your home has sadly been diagnosed with COVID-19 (after being tested).

■ Information is kept confidential and used ONLY to alert First Responders should we need to respond to your home to provide assistance.

■ If you are caring for a COVID-19 Patient in your home, please contact us so we can ensure the proper resources are sent to your home in case of an emergency AND we can keep our First Responders Safe! Call the Police Department at 860-395-3142 or email the Emergency Operations Center at EOC@OldSaybrookPolice.com.

■ We are expecting and are prepared for further confirmed cases of COVID-19 in Old Saybrook.

■ The Governor has ordered the restriction of social and recreational gatherings to no more than five (5) people. (Religious services may have fifty (50) people.)

■ Today, The Old Saybrook Police Department began to strongly encourage groups of greater than five (5) in public places to disperse and practice “Social Distancing”.

Old Saybrook
There can be more than five people at the beach or in our parks so as long as they are following social distancing recommendations and are not in violation of the Governor's Order. If people cannot respect the Governor’s Order and Public Health’s STRONG recommendations to maintain “Social Distance” – our outdoor areas are in jeopardy of being closed to the public. Let’s work together to make sure that does not happen!

All grocery stores in Old Saybrook are asking you to “Shop Alone”.

Stores ask that you do not bring your family shopping with you. It is safer for everyone.

Warning Signs are placed at the entrances to commonly visited indoor stores/shops.

These signs ask those that have flu like symptoms or those that have been around someone with flu like symptoms not to enter the indoor space.

Public Health Awareness Advertisements will be placed around Town tomorrow. They will feature our contest winners and remind people to “Wash Their Hands”, “Sneeze and Cough in Your Elbow” and to “Maintain Social Distance”.

We have temporality changed our “normal” based on this very sound Public Health Concept:

LESS CONTACT = LESS VIRAL INFECTIONS = LESS DEATH

You can go to the grocery store, get takeout, get gas for your car, visit the park, go for a walk.

Just Use Common Sense – Social Distancing Really Works – It SAVES LIVES!!

If you have recently moved your family to Old Saybrook from another location—any location—please consider sheltering in place (self-quarantine) for fourteen (14) days to prevent further community spread.

With so many second homes in our community, this has become an area of major concern for our Town. Please be respectful – no one wants to get sick.

Banning people travelling to Old Saybrook is currently against Federal and State Law.

Again, if you are standing in a line – remember social distancing – 6 feet - it really works!

A list of “frequently asked questions/answers” on Connecticut’s actions concerning COVID-19 can be found at this link: https://portal.ct.gov/-/media/Coronavirus/COVID-19-FAQs.pdf?la=en

Old Saybrook’s First Responders have personal protective equipment, adjusted response guidelines, and open/clear communication – all of which will keep them as safe as possible.

If you do not need to be out in public – don’t be!

The Town is very supportive of our local businesses!

The Public Safety Leadership Team continues to meet every day to brief the First Selectman and to coordinate preparedness and response activities for the Town of Old Saybrook.

All non-essential businesses are closed to the public as ordered by The Governor.

LET THERE BE LIGHT IN OLD SAYBROOK EVERY NIGHT APRIL 1-30, 2020

There are thousands in our community and beyond who continue to go to work every day in order to keep our corner of the world safe, secure, and supplied. They can't work from home and risk their own health and safety so the rest of us can shelter in place to stop the spread of COVID-19.

Let us offer support to the doctors, nurses, medical professionals, first responders, and other essential workers who keep food in the stores and medicine at the ready by shining a light every night in April.

Please turn on your porch light, put up some string lights, hang out your driftwood star, place a luminary on your front walk or simply light a candle to shine a light of thanks for today's heroes.
