■ The Town’s Emergency Operations Center (EOC) remains operational.
■ There were no new CONFIRMED cases of COVID-19 today in Old Saybrook!
■ Old Saybrook belongs to the Connecticut River Area Health District (CRAHD).
■ This includes the Towns of Chester, Clinton, Deep River, Haddam, and Old Saybrook.
■ There were no new CONFIRMED cases of COVID-19 today in our Health District!
■ These are the current reported Positive Cases according to CRAHD:

  - Clinton - 28 Confirmed Cases  2 Deaths
  - Deep River - 8 Confirmed Cases

■ We are very concerned that people are restless and are trying to return to “normal”.
■ Old Saybrook was VERY busy today with LOTS of people NOT practicing Social Distancing!
■ There is only so much we can do.
■ You cannot see COVID-19. COVID-19 is HIGHLY Contagious.
■ You can have COVID-19 and not display symptoms for many days.
■ During that time you can pass COVID-19 to others. Your friends and loved ones.
■ COVID-19 is dangerous and deadly for many. Please help us save lives! Stay home!
■ We want things to return to normal too! But it’s too soon! COVID-19 is still spreading.
■ If we scale back our social distancing efforts now, things will get worse.
WE MUST keep up ALL our efforts to PREVENT Community Spread.

We will not be successful without you. Please help us save lives! Stay Safe – Stay Home!

The Governor has ordered, beginning tomorrow at 8 PM, that all persons over the age of two (2) that are not able to maintain six (6) feet of separation (proper social distance) from another person, must cover their mouth and nose with a mask or cloth face covering when in public.

Persons with a medical condition that prohibit them from wearing a mask, do not have to.

Your car is not a public place. You do not have to wear a mask when you are driving.

You MUST wear a mask if you are in a taxi, Uber, Lyft, or using public transportation.

This is a sign that things will get worse soon – before they get better.

State Government has never before ordered its’ citizens to wear masks. Think about this……

We are clearly NOT ready to “reopen” the State if a “Mandatory Mask” order was just issued.

Store and Restaurant workers will receive guidance soon regarding “Safe Workplace Rules.”

The Emergency Operations Center is working on a Face Mask for all Program for OS Citizens.

The Governor has ordered the suspension of weekend and weekly rentals of homes.

The Governor has ordered the restriction of gatherings to no more than five (5) people.

If you see violations of the Governor’s Orders – please call the Police Department!

PLEASE “Shop Alone” when going to a store for essential items.

Stores must limit how many shoppers can be in a store at one time by 50%. It’s now the Law.

Please be respectful as essential workers in stores & restaurants enforce public health rules.

Without these professionals, stores/restaurants would not be open. Kindness folks Kindness!

Follow the Warning Signs that are placed at the entrances to indoor stores/shops.

If you have flu like symptoms or have been around someone with flu like symptoms DO NOT ENTER A PUBLIC STORE!

It is April 19. May 20th is 30 days away! If we want May 20th to be a date to look forward to we MUST adhere to ALL of the Public Health Guidance including Social Distancing.
