

ZONING BOARD OF APPEALS

The Zoning Board of Appeals is a local judicial board that acts upon requests for variances from the Zoning Regulations or the Flood Plain Management Ordinance, as well as appeals of decisions of the Zoning Enforcement Officer in upholding those standards. In making its decisions regarding variances, the Board considers whether the circumstances of the property are unique such that they result in an exceptional difficulty or unusual hardship in meeting the standards that are otherwise uniform for all other properties in the same zoning district.

During the 2010-2011 fiscal year, the Board processed 23 applications for residential variance applications on undersized lots, particularly in beach communities where these lots' non-compliance with current zoning regulations logically limits additions, renovations or repairs to existing structures. Kim Barrows supports us as our administrative clerk.

Some applications have been controversial and have had high levels of public participation. The Board welcomes the comments of neighbors during the public hearing process and appreciates their input.

The Zoning Board of Appeals meets the second Wednesday of each month at 7:30 p.m. in the Town Hall, First Floor Conference Room.
